VIRGINIA BOARD PROCESS FOR REVIEWING APPLICANTS LICENSED IN ANOTHER JURISDICTION

CPQ is an excellent vehicle for licensure and mobility. The Board would like to send a letter to the 38 jurisdictions that do not have CPQ in place, and would also like CPQ information added to the Department's website. The Board was told that Information Systems would update the website by the end of the week.

DISCUSSION WITH WPA

Presenters can be given CE credit only once for a given presentation, regardless of the number of times the presentation is offered. If the content of a presentation changes substantially and the presenter learns something new, then it is up to the discretion of the presenter whether to claim credit again.

The WPA thanked James Fico, Barbara Van Horne and Steve Seaman for participating in the recent WPA convention. The goal is to meet a broader range of CE's.

CORRESPONDENCE RELATING TO MANDATED CLINICS

The Psychology Examining Board was aware of the changes and testified on this legislation in January. The Department of Health and Family Services is not under the Board's jurisdiction. The Board has heard from psychologists who are concerned about the December draft, and the Board is awaiting a revision of the draft before commenting further. None of the current

feedback has characterized the current structure as “fee-splitting” as mentioned by Karen Maroda. Fee splitting is a violation of psychologist’s professional ethics.
